

Get With The Guidelines-Resuscitation Presents:

Translating Resuscitation Science into Practice

Wednesday May 17, 2017

12pm – 1pm Central / 1pm – 2pm Eastern

REGISTER: <https://engage.vevent.com/rt/ahaevents~051717>

Presenter: Mindy Smyth, RN, MSN

Join us for our upcoming Get With The Guidelines-Resuscitation webinar, ***Translating Resuscitation Science Into Practice***. Our presenter Mindy Smyth, RN, MSN will discuss emerging trends in resuscitation management, examine a realistic framework to bridge the gap between scientific evidence and resuscitation practices and will help attendees identify system-based clinical and process improvements ("take home lessons") that can be implemented to avoid undesirable outcomes.
