

Training Central™

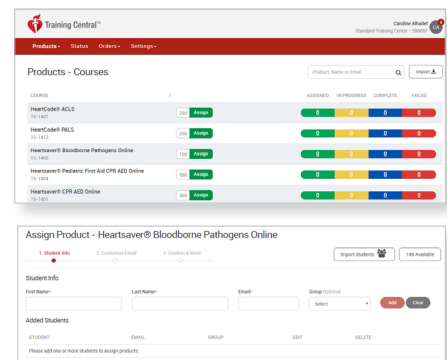

Training Central helps AHA Training Centers and other organizations manage assignments and inventory for eLearning & eBooks.

Easy. Convenient. Secure.

Designed for You:

- Easy-to-navigate view of available, in-progress, and completed products
- Straightforward course assignment process
- Customizable email templates for assignments, reminders to students, and more
- Flexible student management with groups, filters, and ability to archive records
- Important and relevant AHA news & updates in the Message Center
- Centralized listing of student course & skills session completions for easy reporting
- Training resources, videos, and bi-weekly webinars to help you get the most out of Training Central

You also get access to these great features to help manage your AHA eLearning and eBooks

Message Center

Training Central's Message Center allows you to easily read messages and download resources from AHA. Stay in the know on all the latest AHA course launches, website updates, news, and more!

Training Videos

You will have 24/7 access to videos that show you how to create email templates, assign courses and eBooks, communicate with students, pull reports, and more!

Is Training Central right for you?

Training Central can help organizations manage and streamline AHA eLearning and eBooks assignments and reporting. Contact your AHA Account Specialist or AHA Distributor for more information.
