Special Considerations: Management of Atrial Fibrillation in Special Populations and Comorbid Conditions

October 23, 2013 - Live Webinar

Continuing Medical Education Accreditation - Physicians
The American Heart Association is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American Heart Association designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All persons who develop and/or control educational content in CME activities sponsored by the American Heart Association will disclose to the audience all financial relationships with any commercial supporters of this activity as well as with other commercial interests whose lines of business are related to the CME-certified content of this activity. In addition, presenters will disclose unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in course presentation materials.

Continuing Medical Education Accreditation – Physician Assistants
AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 1.25 hours of Category I credit for completing this program.

Continuing Education Accreditation - Nurses
The American Heart Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

The maximum number of hours awarded for this CE activity is 1.25 contact hours.

Steps for Successful Completion
To successfully complete this activity, learners must fully participate in the program. In addition, learners must provide feedback that will be used for evaluative and outcomes measurement purposes. Learners’ attendance will be verified, and learners will be required to provide evaluative feedback before CME/CE credit can be claimed.
