follow the path blood takes through the heart

from the left ventricle through the aorta to all parts of the body

from the right ventricle through the pulmonary artery to the lungs

from the body into the right atrium

from the lungs into the left atrium

from the left atrium into the left ventricle

from the right atrium into the right ventricle

Your Heart
It works hard for you.

Your Heart
It works hard for you.

1. right atrium
2. right ventricle
3. pulmonary artery
4. left ventricle
5. left atrium
6. aorta
