to End Stroke™

Cover Photos for Facebook

These cover photos are available on the American Stroke Association's Facebook page. Feel free to download them and use them on your own page throughout May!

Facebook:

Week 1: May is American Stroke Month. Share the signs of a stroke with your friends and help us beat stroke!

Week 2: Do you know the warning signs of a stroke and what to do?

Teacher on phone: If you think someone is having a stroke, don't hesitate to call 9-1-1. A person's chances of beating stroke are better when they get immediate treatment.

Week 3 (EMS Week): This week, we're celebrating those who make sure people having a stroke get the care they need as quickly as possible. EMS professionals are ready to save lives. Help them by learning how to spot a stroke F.A.S.T.

Week 4: Thank you for helping us educate more people about the signs of a stroke during American Stroke Month! Together, we can end stroke.
