

SmokeFree montgomery

Smokefree Montgomery invites you to join us for a screening of the Acappella Pictures' documentary film, *Addiction Incorporated* on Thursday, June 19 at the J. Garrick Hardy Center Theatre on the campus of Alabama State University. The film has won critical acclaim for its riveting, true story of the tobacco industry's lies and its attempt to silence the scientist who blew the whistle on the industry.

This event will also feature a discussion about the effects of secondhand smoke on Montgomery residents and the benefits of smokefree worksites.

Light refreshments will be provided.
