SEE OUR QUALITY PROGRAMS AT WORK.

Mark your calendar for these important abstracts. All session locations take place in the Dallas Convention Center unless otherwise noted.

---

**SATURDAY, NOVEMBER 16**

5:15 p.m. to 6:45 p.m. • Omni Dallas Hotel
**Dallas Ballroom D-H • ReSS-188**
Pediatric Medical Emergency Team Response and Outcomes: A Report of 4,181 Events From the AHA Get With The Guidelines®-Resuscitation Registry
Lead author: Tia Tortoriello Raymond, MD; Medical City Children’s Hospital, Dallas, TX

---

**MONDAY, NOVEMBER 18**

9:00 to 9:15 a.m. • Room C143 • Abstract Oral Session
Effects of Pre-Hospital ECG Use and Patient Residence Distance From PCI Center on Time to Device Activation in ST Segment Elevation Myocardial Infarction: A Retrospective Analysis From the NCDR®
Lead author: Bryn E Mumma, MD; University of California, Davis, Sacramento, CA

9:15 to 9:30 a.m. • Room C143 • Abstract Oral Session
Reperfusion Times and In-Hospital Outcomes Among Patients With an Isolated Posterior Myocardial Infarction: Insights From the NCDR®
Lead author: Stephen Waldo, MD; University of California San Francisco, San Francisco, CA

---

**SUNDAY, NOVEMBER 17**

1:12 to 1:24 p.m. • Omni Dallas Hotel, Trinity Ballroom • ReSS-20
Is Participation in Get With The Guidelines®-Resuscitation Associated with Improved Quality of Cardiac Arrest Care?
Lead author: Monique L. Anderson, MD; Duke University, Durham, NC

---

9:30 to 9:45 a.m. • Room C143 • Abstract Oral Session
Improving Care of ST Segment Elevation Myocardial Infarction in the United States 2008 to 2012: A Report From Mission: Lifeline®
Lead author: Christopher B. Granger, MD; Duke Clinical Research Institute, Durham, NC

9:30 to 11:00 a.m. • Hall F, Core 2 • Poster 2158
Direct Cath Lab Access Reduced Reperfusion Delays and Mortality for Transferred-in STEMI Patients: Insights From Mission: Lifeline®
Lead author: Lindsay L. Anderson, Duke University Medical Center, Durham, NC
MONDAY, NOVEMBER 18

9:30 to 11:00 a.m. • Hall F • Best of AHA Specialty Conferences • Poster ISC06
Patient and Hospital Factors Associated with Lack of IV tPA Use among Eligible Patients with Acute Ischemic Stroke: Findings from Get with the Guidelines®-Stroke
Lead author: Pooja Khatri, MD; University of Cincinnati Academic Health Center, Cincinnati, OH

9:30 to 11:00 a.m. • Hall F • Best of AHA Specialty Conferences • Poster ISC47
Temporal Trends in Patient Characteristics and Use of IV tPA in Acute Ischemic Stroke Patients Treated at Get With The Guidelines®-Stroke Hospitals
Lead author: Lee Schwamm, MD; Massachusetts General Hospital, Boston, MA

9:30 to 11:00 a.m. • Hall F • Best of AHA Specialty Conferences • Poster ISC51
Variation and Temporal Trends in the Characteristics of US Hospitals Treating Acute Ischemic Stroke Patients with IV-tPA: Findings from Get With The Guidelines®-Stroke
Lead author: Lee Schwamm, MD; Massachusetts General Hospital, Boston, MA

4:00 to 4:15 p.m. • Room D163 • Abstract Oral Session
The Association of Electronic Health Record Use With Acute MI Quality of Care and Outcomes: Results From the NCDR®
Lead author: Jonathan R. Enriquez, MD; University of Missouri-Kansas City, Kansas City, MO

TUESDAY, NOVEMBER 19

9:00 to 9:15 a.m. • Room D162 • Abstract Oral Session
Readmission for Stroke and Quality of Care Among Patients Hospitalized With Transient Ischemic Attack (TIA): Findings From Get With the Guidelines®-Stroke
Lead author: Emily O’Brien, Duke Clinical Research Institute, Durham, NC

2:00 to 2:15 p.m. • Room D223 • Abstract Oral Session
In-Hospital ADP Receptor Inhibitor Switching in Myocardial Infarction Patients Treated With Percutaneous Coronary Intervention: Insights From the National Cardiovascular Data Registry®
Lead author: Akshay Bagai, Duke Clinical Research Institute, Durham, NC

WEDNESDAY, NOVEMBER 20

9:30 to 11:00 a.m. • Hall F, Core 2 • Poster 2033
Temporal Trends in Clinical Characteristics of Patients Without Known Coronary Artery Disease Presenting With a First Episode of Myocardial Infarction
Lead author: Binita Shah, MD, MS; New York University School of Medicine, New York, NY; AHA Young Investigator Research Seed Grant Award Winner

9:30 to 11:00 a.m. • Hall F, Core 2 • Poster 2035
Identifying Hot Spots for EMS-Treated Acute Cardiovascular Events — Stroke, STEMI, and Cardiac Arrest — In a Large Metropolitan City
Lead author: Eric H. Beck, DO; University of Chicago, Chicago, IL
