## TCS New York City Marathon - Sunday, November 6, 2022

### Team Heart & Stroke Intro Letter

The **American Heart Association/American Stroke Association** is proud to be a part of the New York Road Runner Charity Partner Program. We have a limited number of guaranteed entries to this year's race. In exchange for a guaranteed entry through the American Heart Association, recipients will commit to raising funds to support our life saving work.

The **American Heart Association/American Stroke Association** mission is to be a relentless force for a world of longer, healthier lives. At the American Heart Association, we believe that every person deserves the opportunity for a full, healthy life. As champions for health equity, by 2024, the American Heart Association will advance cardiovascular health for all, including identifying and removing barriers to health care access and quality.

#### [Frequently Asked Questions about the TCS New York City Marathon Charity Partner Program](#)

##### **What is the fundraising commitment?**

Runners must commit to raise a minimum of \$4,000 by Friday, October 28<sup>th</sup>, of which \$500 must be raised by Thursday, September 1<sup>st</sup>. All runners must fundraise on the AHA designated site. The American Heart Association will provide you with tools and resources to help with fundraising. If you do not reach the \$4,000 goal, you will be required to donate the difference.

##### **How do I apply?**

[APPLICATION LINK](#)

##### **What is the deadline to submit my application?**

Spots are filled on a first-come, first-served basis. Applications will be accepted until Thursday, September 15<sup>th</sup> or until all spots have been filled – whichever comes first.

##### **If I am accepted, when will I be notified?**

Selected applicants will be notified by email within one week of receipt of their application.

##### **What happens if I withdraw from the race?**

If you withdraw for any reason or cannot fulfill your \$4,000 fundraising pledge, you will be responsible for paying the balance.

##### **How will the American Heart Association use the funds that I raise?**

Every dollar raised allows the American Heart Association to continue to help improve patient care, accelerate research discoveries, support our under-resourced communities, and increase awareness about the risk factors of heart disease and stroke.
