

Midwest Announces...

The Howard B. Burchell, M.D., Ph. D., Heart Scholarship

(This Scholarship is for *Minnesota Students Only*. See details in application form.)

The Purpose:

This scholarship was established as a permanent tribute to the outstanding contributions of Howard B. Burchell, M.D., Ph.D. to cardiovascular research and teaching. This scholarship will enable a medical student to participate in health science research at a Minnesota institution and to explore the field of research as a career.

Who Is Eligible:

Minnesota Students Only: Medical students registered at a teaching institution in the State of Minnesota are eligible for this award. Students must also be U.S. citizens.

How the Scholar Is Selected:

The scholar will be chosen on merit by an American Heart Association, Midwest Committee of medical and/or scientific professionals.

The Scholarship:

The successful candidate will receive a stipend of \$4,500 for a period of full-time research (usually three months duration) with the sponsor. Stipend will be paid upon confirmation from the sponsor that the research period is to begin within 30 days.

How Candidates Apply:

Candidates must submit the appropriate form and complete all requirements. Applications must be fully completed to receive consideration by April 1st of the application year.

Where to Apply:
