What is the Quality Showcase?

Each year, thousands of hospitals participate in one or more of the American Heart Association's Quality Improvement programs. Join us in recognizing these award-winning hospitals and their work to improve the lives of their patients. Share your quality improvement learnings in the Showcase Showdown as posters stemming from the data gathered through AHA quality improvement programs and compete for an opportunity to present your findings to the room. Or, gain a few more quality improvement practices as you listen to other presenters during this unique poster and networking event. Guests will choose the winners while enjoying some hors d'oeuvres!

How do you participate?

There are two ways to participate. You can simply register at the link below and attend the event, enjoy some hors d'oeuvres and network while looking through the latest in model sharing. Or, you can choose to present a poster in the Showcase Showdown. Simply complete the event registration below and submit the poster information at the end of the registration by **October 5th**. Posters must use AHA Quality Improvement data to be considered. For more information contact **kylie.purdy@heart.org**.

What is the Showcase Showdown?

The Showcase Showdown is your opportunity to present a poster of your quality improvement learnings or in-house findings with a room of your peers. Everyone participates as attendees text to vote for the best posters. Toward the end of the event, the top voted poster presenters will be given a microphone and a few minutes to present a short synopsis of their poster. At the end of the competition, the top three vote recipients will win one of three prizes above. All participants in the Showcase Showdown will receive a "swag bag" just for participating!

Get With The Guidelines Quality Showcase Contest Rules

The Scientific Sessions Get With The Guidelines® Contest (the "Contest") is a volunteer-based contest conducted by American Heart Association, Inc. ("AHA"). These Rules apply to all participants. The Sponsor shall make all determinations as to whether the Rules have been complied with, and the decision of the Sponsor as to any issue is final.

Sponsors: AHA is the Sponsor of this Contest.

Eligibility: No purchase is necessary to participate in the Contest. Participants must be at least eighteen (18) years of age as of the date of entry. The Contest is open to legal residents of the 50 United States or the District of Columbia exhibiting at the 2022 AHA Scientific Sessions Showcase event in Chicago, Illinois at the McCormick Place Convention Center on November 5, 2022 (the "Event"). Employees of AHA and their immediate family are not eligible to win. **THIS CONTEST IS VOID WHERE PROHIBITED OR RESTRICTED BY LAW.** For this purpose, "immediate family" includes the spouse, parents, grandparents, great-grandparents, brothers, sisters, children,

grandchildren, and great-grandchildren of the employee and his/her spouse. This definition also includes a) "step" and adoptive relationships, b) individuals for whom an employee is the current legal guardian and c) individuals who are not legally related but who reside with an employee.

Time: The Contest starts at 3:00pm on November 5, 2022 (all times Central Time) and ends on November 5, 2022 at 4:30pm (the "Contest Date"). All entries must be received prior to the Contest Date.

Entry: Participants may enter the Contest by submitting an exhibitor poster through the online submission form linked to this document, then presenting that poster at the event. The odds of winning the Contest depend on the total number of eligible entries. By participating in the Contest, each participant fully and unconditionally agrees to, and accepts these rules and the decisions of the Sponsor, which are final and binding in all matters related to the Contest.

Determination of Winner: There will be three winners (the "Winners," each a "Winner") of the Contest. The Winners will be determined by which poster receives the most votes from Event

attendees. Event attendees will "text to vote" which poster best demonstrates how to use Get With the Guidelines® data to improve hospital operations. Criteria are: ingenuity; usefulness; presentation; and creativity. The Winners will be notified at the conclusion of the Event and/or by e-mail within approximately two (2) weeks of the Contest Date and subsequently announced to the public. The determination of the Winners by Sponsor is final and binding on all participants. Each Prize may be forfeited and awarded to an alternative winner if a Winner does not respond within seven (7) days of notification or if two (2) attempts to contact a Winner by phone and/or email are not successful. The alternate winner will be determined by who was the next highest vote getter. The Prizes are not transferable.

Prize: There are three (3) prizes of the Contest ("Prizes", each, a "Prize"). The First Place Prize, awarded to the top vote getter, is a \$100 in Amazon gift cards and a commemorative trophy. The Second Place Prize, awarded to the exhibitor with the second most amount of votes, is \$75 dollars in Amazon gift cards and a commemorative trophy. The Third Place Prize, awarded to the exhibitor with the third most amount of votes, is \$50 in Amazon gift cards and a commemorative trophy.
