

American Heart Association.

CONGRATULATIONS

GOLD LEVEL RECOGNITION WINNERS

Every person deserves the opportunity for a long, healthy life. For the 100+ million Americans who live with hypertension, high cholesterol, or type 2 diabetes, that opportunity may feel difficult to achieve.

These organizations are being recognized for their ongoing commitment to provide better care for these patients. Join us and be recognized for your efforts. Registration is available year-round. Enroll in the initiative and receive timely information about data submission and recognition opportunities.

2023 data submission is open January 1-May 19, 2023.

Our outpatient-based quality improvement initiatives are backed by science to work together to reduce cardiovascular deaths, heart attacks, and strokes.

Learn more at [Heart.org/OutpatientQuality](https://www.heart.org/OutpatientQuality) to kick-start your quality improvement journey.

GOLD AWARD LEGEND

Target: BP™

Recognizes practices that have fulfilled the Participant Award criteria AND have 70% or more of their adult patient population with high blood pressure controlled.

Target: BP™

Recognizes practices for demonstrating a commitment to measurement accuracy and having 70% or more of their adult patient population with high blood pressure controlled.

Target: Type 2 Diabetes™

Recognizes practices that have fulfilled the Participant Award criteria AND meet the specified thresholds for each of the two selected clinical measures related to type 2 diabetes and cardiovascular disease risk factors.

Check. Change. Control. Cholesterol™

Recognizes practices that have fulfilled the Participant Award criteria AND have 70% or more of their adult, at-risk patient population appropriately managed with statin therapy.
