**Day 1:** Write down 1 thing you're really good at.

**Day 2:** Find 3 positive ways to describe yourself, write them down and put them somewhere you will see them.

**Day 3:** Take a photo of something you find beautiful (bonus points for posting it to social media!)

**Day 4:** If something frustrates you today, take a moment to reframe and find something that IS going your way.

**Day 5:** Take 2 minutes to list the awesome things your body can do, and remember them when you're feeling down.

**Day 6:** Rename your alarm to a nice message, like "The Universe has your back!", to help you start the day in a positive frame of mind.

**Day 7:** Think of something about your body that you tend to think of as less than perfect. Then, write a little note of appreciation about it.

**Day 8:** Look for someone to help today without expecting anything in return.

**Day 9:** Reach out to someone who could use some extra appreciation.

**Day 10:** Think of someone who makes your day better and invite them to lunch.

**Day 11:** Write a note of appreciation to someone you really care about.

**Day 12:** Offer a hug to someone you're grateful for. Make it a genuine two-armed!

**Day 13:** Text someone and tell them why you're grateful for them.

**Day 14:** Schedule some time to volunteer in your community. Don't know where to start? Look for opportunities at [heart.org/HEARTORG/volunteer](http://heart.org/HEARTORG/volunteer)

**Day 15:** Next time life doesn't go your way, try to think of something about the situation that you can be grateful for.

**Day 16:** Take a moment to invite someone you're thankful for to dinner.

**Day 17:** Write down what you've eaten today and be grateful for every item without judging any of it as "good" or "bad."

**Day 18:** Pause before your next meal to sit in gratitude. Notice how yummy it looks and smells, and feel grateful to the person who prepared it (especially if it was you!)

**Day 19:** Think of someone whose cooking warms your soul and tell them about how much their nourishment has meant to you.

**Day 20:** During your next meal, try to put your fork down between each bite and really enjoy the flavors, rather than wolfing it down.

**Day 21:** Take 2 minutes to reflect and write about how you feel after having participated in this challenge. Then, keep the 'tude going all year long!
