

How to Create a Quote in ShopCPR

This how-to guide will outline the steps to create a quote in ShopCPR.

Step 1: Navigate to <https://shopcpr.heart.org>. Select Sign In/Sign Up in the upper righthand corner where you will sign in.

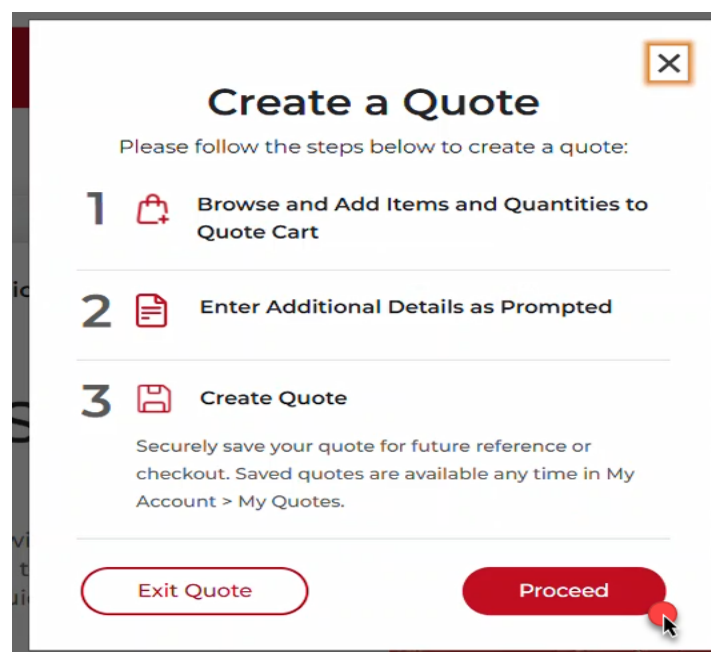

Step 2: Click the Create a Quote link (see Image 1).

Image 1

Step 3: From the Create a Quote pop-up window, click Proceed (see Image 2).

Image 2

Please note: There is an Exit Quote link and How it Works link located near the top right (see Image 3 below). Click Exit Quote to exit the quote and be taken back to the regular flow. Click How it Works to view a pop-up window detailing steps on how to create a quote. (see Image 4 below). Click Close to exit the pop-up window (see Image 4)

① No charges are incurred at this stage during address selection; charges are subject to change prior to final checkout.

Create Quote

① Formation of a Binding Contract: A binding contract between AHA and the Customer is formed when the following conditions are met:

- This quote will be saved to your ShopCPR account for 30 days.
- Quotes are provided for convenience only and do not guarantee pricing.
- Product prices, promotional offers, taxes, and shipping charges are subject to change and will be calculated at the time of checkout.
- Any changes to products or quantities will require creating a new quote.
- The final price will be the price displayed when the order is placed.
