

Where Are We Going With Cardiac Arrest?

This program is designed to provide emergency and critical care clinicians and resuscitation professionals with the most recent resuscitation science and research. Our goal is to reach providers across the region to support resuscitation efforts and share knowledge of recent science, with the aim of improving resuscitation processes and survival rates.

DATE and TIME

Friday, March 8, 2019

8:00 a.m. – 4:00 p.m. EST

Registration and continental breakfast begin at 7:30 a.m.
