

## Learning Objectives

- Identify evidenced based treatments of acute coronary syndrome, congestive heart failure, and valvular therapies from pre-hospital care through rehabilitation.
- Apply a systematic approach to evaluate ECG findings and additional diagnostic tools for ACS
- Identify impact of comorbid conditions and heart disease.
- Identify strategies for post-acute care in the transitional, rehab, and the community setting.
- Demonstrate understanding of emerging treatment and technology for heart failure patients and heart disease in women.

## Target Audience

- Physicians (Cardiologist, ED, Primary Care and Hospitalist)
- Nurses (Critical Care, Cardiac Units, Educators, and ED)
- Advanced Practice Providers
- Pre-Hospital Teams
- Allied Health Professionals

## Continuing Education Credits

In support of improving patient care, this activity has been planned and implemented by the American Heart Association. The American Heart Association is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **AMA Credit Designation Statement - Physicians**

The American Heart Association designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **AAPA Credit Acceptance Statement – Physician Assistants**

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*<sup>™</sup> from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 6.0 hours of Category I credit for completing this program.

### **AANP Credit Acceptance Statement – Nurse Practitioners**

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credit*<sup>™</sup> from organizations accredited by the ACCME.

*\*\*AMA Credit must be claimed within 6 months of attendance. Credit will no longer be available to claim after May 5, 2021.*

### **ANCC Credit Designation Statement - Nurses**

The maximum number of hours awarded for this CE activity is 6.0 contact hours.

*\*\*ANCC Credit must be claimed within 6 months of attendance. CME/CE will no longer be available to claim after May 5, 2021.*

### **Disclosure Policy**

All persons who develop and/or control educational content in CME/CE activities provided by the American Heart Association will disclose to the audience all financial relationships with any commercial supporters of this activity as well as with other commercial interests whose lines of business are related to the CME/CE-certified content of this activity. In addition, presenters will disclose unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in course presentation materials.
