American Heart Association.*

The 22nd Annual Virtual Stroke Symposium November 6, 2020

Disclosure Statement

All persons who develop and/or control educational content in CME activities sponsored by the American Heart Association will disclose to the audience all financial relationships with any commercial supporters of this activity as well as with other commercial interests whose lines of business are related to the CME-certified content of this activity. In addition, presenters will disclose unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in course presentation materials. (Examples of financial relationships can include grants or research support, commercial interest employee, consultant, major stockholder, member of speaker's bureau, etc. occurring within the last 12 months). The intent of this disclosure is to identify and resolve any existing conflicts of interest so that the commercial independence of this activity can be assured. In addition, these disclosures provide participants with the requisite information needed to make their own judgments with regard to conflicts of interest.
