Melvin P. Nelson & Esther L. Nelson Heart Scholarship
(For the Spring)

(This Scholarship is for Minnesota Students Only. See details in application form.)

The purpose:
This scholarship was established as a permanent tribute to the years of dedicated fundraising for the American Heart Association of Melvin P. and Esther L. Nelson. This scholarship will enable a medical student to participate in health science research at a Minnesota institution and to explore the field of research as a career.

Who is eligible:
Minnesota Students Only: Medical students registered at a teaching institution in the State of Minnesota are eligible for this award.

How the scholar is selected:
The scholar will be chosen on merit by an American Heart Association, Midwest Affiliate Committee of medical and/or scientific professionals.

The scholarship:
The successful candidate will receive a stipend of $1,200 for a period of full-time research (usually three months duration) with the sponsor.

How candidates apply:
Candidates must submit the appropriate form and complete all other requirements to mwamnscholarships@heart.org. Applications must be fully completed to receive consideration.
