

Hi Sean,  
Thank you for accepting my friend request.

I'm getting ready to leave for work, so I don't have time at the moment to elaborate too, too much.

I'm a 29 year-old bilateral stroke (caused by Moyamoya) survivor and two-time brain surgery patient. Good 'ole Google brought up your very inspiring story last night when I did a combined search for "Coast Guard" and "stroke survivor."

I promise to elaborate more soon, but thought I'd say "hi" in the meantime. Thanks again for accepting the request. Have a great day!

Tara
