Sometimes it's a postcard. Sometimes it's a letter on pretty paper, the words printed in crayon. Often, it's a note with flowers — or simply an email.

Most of them say something like, "Thank you for saving my grandpa." Or, "I'm so grateful you were there for me."

Whether the patient is you, or your grandpa, please know this: We are grateful and honored to have an opportunity to provide care when a heart attack strikes.

We're so thankful to be recognized by the American Heart Association for meeting its **Mission: Lifeline® heart attack systems of care standards.**

The American Heart Association recognizes this hospital for achieving 85% or higher composite adherence to all Mission: Lifeline® STEMI Receiving Center Performance Achievement indicators for consecutive 24-month intervals, 75% or higher compliance on all Mission: Lifeline® STEMI Receiving Center quality measures, and First-Door-to-Device time of 120 minutes or less for transfers, to improve the quality of care for STEMI patients.

The American Heart Association does not endorse the products or services of the hospital recognized in this advertisement.
