

American Heart Association.

Target: Type 2 DiabetesSM

The American Heart Association is pleased to recognize these organizations for their commitment to improving the health of their patients through high quality care related to type 2 diabetes and management of cardiovascular risk factors with the ultimate goal of reducing cardiovascular deaths, heart attacks and strokes in people living with type 2 diabetes.

Gold Award

Recognizes organizations that have fulfilled the Participant criteria AND have met the specified Gold – level thresholds for each of two selected clinical measures related to diabetes control and cardiovascular disease risk factors, hypertension and cholesterol management.
