

2018 MISSION: LIFELINE® STEMI REFERRING HOSPITAL RECOGNITION CRITERIA

STEMI Recognition Measures (Referring Hospital)	NSTEMI Measures - All Facilities
Percentage of STEMI patients with a Door-to-First ECG time ≤10 Minutes	Percentage of NSTEMI patients referred to an early outpatient cardiac rehabilitation program
Percentage of Fibrinolytic-eligible patients with Door-to-Needle time ≤30 Minutes	Percentage of NSTEMI patients with reduced Left Ventricular Ejection Fraction (<40%) prescribed ACEI/ARB at discharge
Percentage of reperfusion-eligible patients transferred for Primary PCI with a Referring Center Door In-Door Out time ≤45 Minutes	Percentage of medically managed NSTEMI patients prescribed dual antiplatelet therapy at discharge (aspirin and appropriate P2Y12 inhibitor) (65%)
Percentage of STEMI patients receiving aspirin within 24 hours of hospital arrival	Percentage of NSTEMI patients whose left ventricular (LV) systolic function was evaluated during admission or is planned for after discharge
Percentage of STEMI patients on aspirin at discharge	Percentage of NSTEMI patients that smoke with smoking cessation counseling at discharge
Percentage of STEMI patients on beta blocker at discharge	  ENROLL in GWTG-CAD Today!
Percentage of STEMI patients with LDL>100 who receive statin or lipid lowering drugs	
Percentage of STEMI patients with left ventricular systolic dysfunction on ACEI/ARB at discharge	
Percentage of STEMI patients that smoke with smoking cessation counseling at discharge	

STEMI REFERRING CENTER VOLUME AND ACHIEVEMENT CRITERIA

- Must have an average of at least 2 STEMI records per quarter of data
- Must have at least 2 STEMI records in the quarter to achieve that one quarter of achievement
- Must meet achievement score of 75% or greater on all STEMI measures

NSTEMI REFERRING CENTER ACHIEVEMENT CRITERIA

- Must have an average of 2 NSTEMI records per quarter of data
- Must have at least 2 NSTEMI records in the quarter to achieve that one quarter of achievement
- Must meet achievement score of 65% for DAPT Measure (Dark Green) and 85% or greater on all other NSTEMI measures

MISSION: LIFELINE STEMI AND NSTEMI REFERRING CENTER AWARD LEVELS

- Bronze – 1 Calendar Quarter of compliance with Mission: Lifeline Recognition Criteria. For 2018 only, Bronze level may be repeated
- Silver – At least 2 Calendar Quarters of compliance with Mission: Lifeline Recognition Criteria
- Gold – Previous year = Silver + At least 2 Calendar Quarters of compliance with Mission: Lifeline Recognition Criteria

FOR 2018 Only –

- 1 Quarter of data entered into GWTG-CAD meeting criteria is required to achieve a Bronze level and/or to maintain the previous year's award level
- At least 2 Quarters of data entered into GWTG-CAD and meeting criteria upon aggregate analysis, is required to achieve a Silver level and/or to move up an award level to Silver or Gold
