## PARTICIPANT

Country Doctor Community Health Centers

Target: BP is a national collaboration between the American Heart Association and the American Medical Association aimed at reducing the number of Americans who suffer from heart attacks and strokes each year by urging physician practices, health systems and patients to prioritize BP control. Recognized clinics have demonstrated a commitment to quality improvement and measurement accuracy while those achieving Gold and Gold+ recognition also achieved 70% or better control rates for 2022. Learn more at [targetbp.org](http://targetbp.org).

American Heart Association.  
 Check. Change. Control.  
 Cholesterol™

The American Heart Association is pleased to recognize these organizations for their commitment to reducing the risk of heart disease and stroke through improved cholesterol management.

Recognized organizations have committed to improving ASCVD risk assessment and submitted data on appropriate statin therapy. Gold designation fulfilled the Participation Award criteria AND have 70% or more of their adult, at-risk ASCVD patient population appropriately managed with statin therapy based on MIPS measure #438.
