Move more during the month of April and get Healthy for Good™ with the American Heart Association. The Healthy for Good movement is designed to inspire all to live healthier lives and create lasting change through small, simple steps today.

The approach is simple: Eat smart. Add color. Move more. Be well.

This mantra breaks down the essential principles of real health – eating healthy, including adding more colorful fruits and veggies; being more physically active; and creating an overall healthy lifestyle including sleep, mindfulness, stress management, mental health, social connection, and more.

Because let’s face it, people don’t want another crazy fad diet, miracle exercise machine, fancy juicer or expensive workout outfit. They want to be Healthy for Good. And we want to help, with motivating encouragement, science-based resources, and even a little humor. Healthy for Good is a movement of everyday people everywhere who are committing to improve their health in simple, innovative and sustainable ways.

So, join the movement and move more with us during the month of April! By committing to get active for at least 150 minutes a week, you can get healthier and raise awareness about the importance of being physically active.

You can celebrate in your workplace, school, faith community, or with family. This guide includes instructions, tips and resources to help you plan a great event for your group or organization.

What You Will Find in this Guide

- Action Plan .............................................. 2
- How to Participate in the Workplace and Organizations ......................... 3
- How to Participate in Schools .............. 5

- More Resources ................................. 13

Your free online toolkit at heart.org/MoveMoreMonth includes many more resources and materials

- Four Weeks of Daily Challenge Activities
- Four Weekly Tip Handouts
- Posters and Graphics
ACTION PLAN

Get active and kick off healthy habits in your organization, community or family. Start here with our step-by-step action plan, then follow the specific tips and ideas for your setting.

STEP 1: GET LEADERSHIP APPROVAL
If you need approval for an event, use the email template on page 8. It has great information you can share with your leadership about why this health-focused initiative is good for the organization and community.

STEP 2: CHOOSE YOUR DATE
Choose a day in the month of April that will work the best for your event. The important thing is to kick off a month-long focus on being more physically active! Once you choose a day, get it on people’s calendars right away, and use one of our communication templates to help build awareness.

STEP 3: PLAN YOUR CELEBRATION
Get creative to come up with your own special touches that will make it meaningful for your organization or community. Basic event components may include:

• Rally or kick off
• 30-minute fun walk
• Healthy snacks
• Prizes or giveaways
• Educational opportunity (wellness fair, health assessment, presentation, etc.)

Be sure to schedule or reserve any needed facilities and logistical resources.

STEP 4: SPREAD THE WORD
Promote your event by using the emails, social media posts and posters we’ve provided. Invite people to get involved. Your toolkit includes free promotional materials.

STEP 5: CELEBRATE!
Take a breath, and start moving! This is an opportunity for millions of people to take steps toward a longer, stronger and healthier life, but it’s also about having fun and creating community.

Don’t forget to enjoy the day!
HOW TO PARTICIPATE IN THE Workplace AND ORGANIZATIONS

BEFORE YOUR EVENT
Building excitement is important for a successful event. There are many ways to do this, including:

• Use social media to increase awareness and engagement.
• Have your CEO or senior leader send organization-wide voicemails and/or emails. Use our communication templates or create your own.
• Use giveaways and incentives. Visit shopheart.org for some options.
• A week or two before the event, hold a one-day walking competition among teams or departments.
• Ask everyone to track their total time or steps on a specific day, using a device, smartphone or paper tracker. The winning department could receive some sort of reward—jeans day, lunch or time off.
• Setting a goal or making a pledge is a great way to kick off a healthy lifestyle change. Ask each employee to write down one goal or pledge to start being more physically active and to post it at their workspace.

DAY OF THE EVENT
• Make it a “casual day.” Wearing sneakers or comfortable shoes will make it easier for everyone to participate. Encourage them to wear red shoelaces as a symbol of their support of the event.
• Host a walk. Set a time for your senior leaders to lead participants on a 30-minute walk. This could be indoors or outdoors. Map a route in advance to avoid surprises.
• Kick off the day with a rally. Ask your CEO or senior leader to address participants using the information in this guide.
• Host a wellness fair. This could include:
  – An introduction to making healthy choices a personal priority through the American Heart Association’s Life’s Simple 7® and My Life Check™ assessment. Within a few minutes, participants will know how they’re doing with each one of Life’s Simple 7® measures. A personal heart score and report will help them create a personal action plan. Learn more at heart.org/MyLifeCheck.
HOW TO PARTICIPATE IN THE WORKPLACE AND ORGANIZATIONS (CONT.)

- How-to activity workshop with a local fitness center or trainer to educate participants on physical activity topics like the proper way to stretch.
- Presentation by a registered dietitian nutritionist about healthy eating.
- Cholesterol, blood pressure and other screenings from a local hospital or clinic.
- Testimonial from a heart disease or stroke survivor.

WAYS TO MAKE IT MORE FUN

• Keep the momentum going and start a four-week activity challenge among departments or teams and offer prizes.
• Hold another rally or event to celebrate your success at the end of the four weeks.
• Keep the momentum going by participating in the Heart Walk. Have fun and help fund breakthrough science to save lives from heart disease and stroke. Find details for your local event at HeartWalk.org.
• Encourage your employees/members to form ongoing walking clubs using our tips and resources at heart.org/WalkingClubs.
MOVE MORE

HOW TO PARTICIPATE IN SCHOOLS

BEFORE YOUR EVENT

• Use social media to increase awareness and excitement.
• Send emails. Use one of our email templates or get creative and make your own.
• Setting a goal or making a pledge is a great way to kick off a healthy lifestyle change. Ask each student, teacher and staff member to write down one goal or pledge to start being more physically active.
• Invite other community members to volunteer or participate. Use our email template to invite parents and guardians to join in on the day with their children.

DAY OF THE EVENT

• Wear sneakers. Comfortable shoes will make it easier for everyone to participate. Encourage them to wear red shoelaces as a symbol of their support of the event.
• Host a walk. Set a time to lead your students and teachers on a 30-minute walk. This could be indoors or outdoors. Map a route in advance to avoid surprises.
• Kick off the day with a rally or assembly. Invite a guest speaker to speak about healthy living and physical activity.
• Host a wellness fair or educational event for your school community, including:
  – An introduction to making healthy choices a personal priority through the American Heart Association’s Life’s Simple 7® and My Life Check™ assessment. Within a few minutes, participants will know how they’re doing with each one of Life’s Simple 7® measures. A personal heart score and report will help them create a personal action plan. Learn more at heart.org/MyLifeCheck.
  – How-to activity workshop with a local fitness center or trainer to educate participants on physical activity topics like the proper way to stretch.
  – Presentation by a registered dietitian nutritionist about healthy eating.
  – Cholesterol, blood pressure and other screenings from a local hospital or clinic.
  – Testimonial from a heart disease or stroke survivor.
WAYS TO MAKE IT MORE FUN

• Keep the momentum going and start a four-week activity challenge among classes or grade levels and offer prizes.

• Encourage each classroom or grade level to come up with a team name and mascot.

• Hold another rally or event to celebrate your success at the end of the four weeks.

• Continue the focus on healthy physical activity by getting your school to participate in American Heart Challenge. Have fun and help fund breakthrough science to save lives from heart disease and stroke. Find details at heart.org/KidsHeartChallenge.

• Start a school walking club using our tips and resources at heart.org/WalkingClubs.
HOW TO PARTICIPATE AS AN INDIVIDUAL OR FAMILY

BEFORE YOUR EVENT

• Use social media and email to increase awareness among your family and circle of friends. Use our templates or get creative and make your own.

• Set a goal or make a pledge to commit to being more physically active. Post or display your goal as a daily reminder of your commitment.

• Challenge your community, friends and family to join you and set their own goals.

• Take action to get better informed about your health. Learn how to make healthy choices a personal priority through the American Heart Association’s Life’s Simple 7® and My Life Check™ assessment. Within a few minutes, you’ll get a personal heart score and action plan. Learn more at heart.org/MyLifeCheck.

DAY OF THE EVENT

• Make it a “casual day.” Wearing sneakers or comfortable shoes will encourage you to move more. Wear red shoelaces as a symbol of your support and commitment.

• Take a walk or set a time to lead your family or group on a 30-minute walk. This could be indoors or outdoors. Map a route in advance to avoid surprises.

WAYS TO MAKE IT MORE FUN

• Keep the momentum going. Start a four-week activity challenge and offer prizes.

• Form a neighborhood walking club using our tips and resources at heart.org/WalkingClubs.

• Have a party or picnic to celebrate your success at the end of the four weeks.

• Continue the walking focus by participating in the Heart Walk. Have fun and help fund breakthrough science to save lives from heart disease and stroke. Find details for your local event at HeartWalk.org.
I would like your approval to kick off a healthier way of living for our employees by getting Healthy For Good™ with the American Heart Association. The Healthy for Good movement is designed to inspire all of us to live healthier lives and create lasting change through small, simple steps today. During the month of April, the American Heart Association is encouraging Americans to move more and commit to being physically active.

We can have our event any day in April and promote being active throughout the month. We’ll get free resources to help our employees get on a healthier path.

Health care is one of the most significant cost pressures facing companies today. Consider these sobering facts:

- The economic costs of cardiovascular diseases (coronary heart disease, heart failure, stroke and high blood pressure), including direct medical costs, as well as estimated indirect costs like lost productivity, total more than $550 billion and are projected to reach more than $1 trillion by 2035.
- About 69 percent of U.S. adults are overweight or obese — and this number continues to grow. At the same time, about 27 percent report participating in no leisure time physical activity.
- Nearly half of all U.S. adults (about 121 million) are living with some form of cardiovascular disease or the after-effects of stroke. And research shows that about 80 percent of cardiovascular disease is preventable.
- After decades of a steady decline in the U.S., deaths from cardiovascular disease are on the rise again, accounting for about 1 of every 3 deaths.

By participating, [ORGANIZATION NAME] can play an important role in getting our employees and our nation healthier while:

- Offering practical health information, tips and resources to help people adopt a healthier lifestyle.
- Providing a fun activity that fosters morale, team-building and productivity.
- Letting our employees know we care about their health and support their efforts to improve it.

BRIEF ANNOUNCEMENT

Step by step, day after day, you walk to make progress. Every day we take thousands of steps to get where we need to go. Now we can take steps toward a healthier lifestyle and support the American Heart Association.

On [EVENT DATE], [ORGANIZATION NAME] will join the American Heart Association in getting Healthy for Good™! During the month of April, the American Heart Association is encouraging people nationwide to move more and commit to being physically active. We’ll have some fun events on this day including:

[INSERT EVENTS – RALLY, KICK OFF, WALK, ETC.]

Please put it on your calendar now. More details will be coming soon!

DETAILED ANNOUNCEMENT

On [EVENT DATE], we’ll join the American Heart Association to get Healthy for Good™! Physical inactivity is a huge national problem. About 70 percent of adults in the U.S. are overweight, and about 80 percent don’t get enough physical activity.

Science shows that being more active can help you feel, think and sleep better. The American Heart Association recommends at least 150 minutes of moderate-intensity physical activity per week for adults and 60 minutes per day for children and adolescents. Most of us right here at [ORGANIZATION NAME] don’t meet that goal. And it means we’re at greater risk for heart disease, stroke and other health problems. But we’re not going to take it sitting down.

We’ll join millions of people nationwide as they pledge to live a healthier lifestyle and get physically active. Here’s what you can do to join in the celebration:

• Show your support and wear your sneakers with red shoelaces on [EVENT DATE].
• Join our rally and 30-minute fun walk at [TIME] at [LOCATION].
• Pledge to live a healthier lifestyle and start a habit of daily walking at [WORK, SCHOOL, HOME]. Follow our designated Walking Path or another route, and invite others to join you.
• Visit heart.org/MoveMore and use the American Heart Association’s free tips and tools to stay motivated on your walking program.
• Sign up to participate and raise funds for our community’s [HEART WALK, HEART CHALLENGE] on [DATE].

Please join us for this fun group celebration that can help us all live longer, stronger, healthier lives.
PERSONAL ANNOUNCEMENT

Every day we take thousands of steps to get where we need to go. Now we can take steps toward the healthier lifestyle we want by committing to move more.

On [EVENT DATE], I will join the American Heart Association to get Healthy for Good™! During the month of April, we’re encouraging everyone to move more and commit to being physically active. Will you join me? Find out more at heart.org/MoveMore.

DAY BEFORE EVENT REMINDER

Don’t forget: Join us for a fun event tomorrow to Move More and get Healthy for Good™ with the American Heart Association. Don’t forget to wear your sneakers and red shoelaces if you have them! Meet us at [LOCATION] tomorrow at [TIME].

See you there!

POST EVENT ACTIVITY CHALLENGE ANNOUNCEMENT

Thanks to everyone who joined us. We had a great turnout and a lot of commitment to get healthy and get fit. [ADD MORE HERE IF DESIRED, e.g., announcement of winners, pledges, etc.]

But we can’t get healthy for good in one day. So we’re launching a Four-Week Activity Challenge. Each week, we’ll be sending you everything you need to complete the challenge, including

- Daily challenge activities
- Weekly handouts with more info and tips

[INSERT DETAILS ABOUT CHALLENGE, PRIZES, ETC.]

[INSERT FOLLOWING IF YOU ARE PARTICIPATING IN HEART WALK] Don’t forget that part of fighting back against heart disease, the nation’s number one killer, is helping the American Heart Association fund lifesaving research. We can do that by spreading the word and raising funds for the [CITY NAME] Heart Walk on [DATE]. There’s still time to join the team! [DETAILS, SIGNUP INFO, ETC.]

Thanks again, and keep moving!

[IF APPLICABLE, INCLUDE INFORMATION ABOUT RALLY OR EVENT AT THE END OF THE FOUR WEEKS]
PERSONAL ACTIVITY CHALLENGE ANNOUNCEMENT

Thanks to everyone who joined me. We can’t get healthy for good in one day. So, I’m launching a Four-Week Activity Challenge. Will you join me? I’ll provide:

• Daily tips
• Weekly handouts with more info and tips

Don’t forget that part of fighting heart disease and stroke is helping the American Heart Association fund lifesaving research. We can do that by spreading the word and raising funds for the [CITY NAME] Heart Walk on [DATE].

Thanks, and let’s get moving!

EMAIL AND SOCIAL MEDIA TIPS

• Don’t overwhelm people with too many messages. Think about your audience and how much information they’ll want. If you don’t want to send daily emails, use social media or send one email a week with a number of challenge activities and the weekly handout.
• Ask for feedback on the information you’re sending. For example, if you provide a tip on being active at work, ask readers to share photos or tips on how they do it.
• Encourage friendly competition and recognize activity challenge teams and leaders.
• Follow the general theme of each week (see handouts) to provide a fresh focus for content.
• If you are completing the challenge, use a countdown by stating how many days are left: “10 days to go!” You can also use the countdown in reverse by announcing which day of the challenge you’re on: Day One, Day Two.
• Show how you’re getting active and use the hashtag #HealthyforGood to join the national conversation!
FOUR WEEK ACTIVITY CHALLENGE

We know it takes more than just one day to form lasting healthy habits. Use your event as a starting point and keep the momentum going by launching a four-week challenge focused on physical activity. This is a great way to extend the fun all month and can be customized to your workplace, community, school or family.

We’ve included everything you need to motivate your participants:

- **Daily Challenge Activities** — Email or share on social media and encourage participants to try them each day.
- **Handouts** — Provide one each week of the challenge to kick off that week’s theme.

“I pledge to be physically active at least 150 minutes per week for four weeks to improve my health.”

Encourage participants to track their total minutes per day and week. Any type of moderate to vigorous activity counts, such as walking, running, biking, dancing, playing sports, etc.

Consider offering prizes as an incentive. Here are a few suggestions of achievements to recognize:

- Everyone who completes the challenge by achieving a total of at least 150 minutes for each of the four weeks
- Everyone who tries all the daily challenge activities
- The person who achieves the most total minutes each week or for the overall four-week period

Give your challenge a creative theme or tagline such as “Spring into Action” or “4 Weeks 4 Health.” Make the challenge your own by customizing it to your audience.
MORE RESOURCES

The American Heart Association offers many free resources to help people be more active and live healthier.

- Visit heart.org/HealthyforGood for the latest info on physical activity, healthy eating, weight management, sleep, mindfulness and much more.

- Visit heart.org/WorkplaceHealth for employer resources including our Healthy Workplace Food and Beverage Toolkit.

- Get information on CPR and emergency cardiovascular care training, including programs designed for schools and workplaces.

- Find information about your local Heart Walk event at HeartWalk.org.

- Learn about offering fun events in your school at heart.org/KidsHeartChallenge.

- Connect with us on Facebook and Twitter.

- Sign up to get Healthy for Good tips, tools and shareable science direct to your inbox.

Thank you for participating. If you need any assistance planning your event or you have any questions, please contact your local American Heart Association office.
